JOHN CRAIN FIELD

Since opening in 2000, John Crain Field at the OU Soccer Complex has maintained its status as one of the finest facilities in the nation, featuring a first-class regulation field with a top-of-the-line turf and drainage system. In 2024 the stadium received new LED lighting which can glow crimson and a new videoboard.

HEADINGTON HALL

GAME-CHANGING STUDENT HOUSING FACILITY

Opened in July of 2013, Headington Hall houses 380 OU students, including 180 student-athletes. The facility is named in honor of former OU tennis player Tim Headington, one of many OU alumni who gave generously to the project.

Located on the corner of Jenkins Ave. and Lindsey St., southeast and across the street from Gaylord Family – Oklahoma Memorial Stadium, it boasts apartment-style accommodations in two and four-bedroom units. The building includes central dining, computer labs and study rooms, as well as a faculty-in-residence unit.

The \$75 million facility, which replaces Bud Wilkinson Hall, was funded by the University of Oklahoma Department of Intercollegiate Athletics.

The first floor features Einstein's Bagels, Qdoba, Sport Clips and OU Bookstore locations with room for future development.

The facility is six stories tall and approximately 230,000 square feet, giving it a significant campus presence. It is designed in the style of the University's historic buildings, as well as modern additions.

Former Sooners Adrian Peterson and Sam Bradford made substantial donations to Headington Hall. The Sam Bradford Training Table is a state-of-the-art dining facility that fulfills the dietary and nutritional needs of all OU student-athletes, not just the residents of Headington Hall, in a vastly expanded modern space.

STRENGTH & CONDITIONING

Oklahoma's weight training program is a pioneer in the development of strength and conditioning and is a vital part of the Sooners' traditional success. OU strength and conditioning coaches utilize their expertise along with a wide array of equipment and tests to produce national championship-caliber athletes.

Evaluation, goal-oriented programs, supervision and state-of-the-art facilities help Oklahoma athletes become bigger, faster, stronger and more flexible. The 32,582-square-foot strength and speed complex is triple the size of OU's former weight room and features a 70-yard indoor turfed speed and agility training area to facilitate the intensive training of OU athletes.

The objective of the strength and conditioning program is to ensure each athlete in every sport is provided with a sound in-season and off-season program. This program of activity includes strength, conditioning, flexibility and nutrition. A strength and conditioning coordinator for each sport is provided to assist athletes in reaching the highest possible training levels.

Oklahoma feels a strong responsibility to help its athletes reach and maintain their optimum health and achieve conditioning goals. For this reason, OU has developed excellent training and conditioning programs to lessen the possibility of injuries. However, should injuries occur, the department is committed to a comprehensive rehabilitation program. Complete athletically-related medical services are provided to Oklahoma student-athletes by team physicians and OU's certified athletic trainers, and OU obtains the services of the best medical consultants available.

After renovations in 2018, the state-of-the-art athletic training room inside the Barry Switzer Center also grew substantially to nearly 10,000 square feet, ensuring Oklahoma's players will continue to be treated not only by the finest doctors and training staff in the country, but also in the finest facility in the land. From simple therabands to taping tables, the new facility offers everything a school can have or hope to have. The Sooner training room is equipped to perform isokinetic joint evaluation for preventive medicine and for post-injury rehabilitation. The therapy room is supplied with the latest modalities on the market.

A total team effort is the key to OU's efficiency in preventing, treating and rehabilitating injuries sustained by student-athletes. These measures keep Sooner athletes at their highest level of performance as they compete for championships.

NORMAN CAMPUS

There's Only ONE Oklahoma

Since well before statehood, the University of Oklahoma has unceasingly pursued academic and research excellence for the betterment of people and places around the world. Driven by a boundless determination to change lives, OU has inspired generations of students to find purpose and meaning through their OU education, and our state and society have long benefited from OU's innovative spirit. It is this unparalleled ambition to seize new heights of excellence that has defined us for well over a century as the one, and only, Oklahoma.

ONE Oklahoma — Endless Possibilities

- Unveiled in 2020, the "Lead On, University" Strategic Plan has ignited a spirit of excellence across OU, reshaping its future in ways that will change lives for generations to come. In spring 2024, OU embarked on a Strategic Plan refresh to ensure this living, breathing roadmap continues to evolve to meet the challenges of an ever-changing world while still serving the distinct needs of the OU community. Learn more at ou.edu/leadon.
- More students than ever are choosing OU. With three consecutive record-breaking freshman classes — and the fall 2024 incoming class on track to make it four straight years for historic class sizes — the University of Oklahoma is fulfilling its promise to offer a life-changing education at exceptional value.
- Today, an OU degree is more affordable than it was five years ago. In the last five years, OU has grown need-based aid by 38%, increased the number of scholarships awarded by more than 20% and saved over \$140 million in annual operating costs. As a result, 56% of OU undergraduate students graduate debt-free, compared to 45% at four-year public universities nationwide.
- Supporting Oklahoma's workforce is one of OU's key priorities, and OU has significantly expanded enrollment in several key academic areas to support workforce demands, such as nursing, aviation and engineering. This fall, the OU Polytechnic Institute at OU-Tulsa welcomes its inaugural class. Combining cutting-edge curriculum in critical STEM fields with on-site training, the institute will equip graduates to transform Oklahoma industries and fuel economic prosperity.

JUST 18 MILES NORTH OF NORMAN, OKLAHOMA CITY OFFERS ALL THE TRAPPINGS OF A LARGE METROPOLITAN AREA WITHIN AN EASY DRIVE

196

NORMAN IS A QUICK 196-MILE DRIVE FROM DALLAS. ROUGHLY 20 PERCENT OF OU'S STUDENTS ARE FROM TEXAS AND CHOOSE TO COME NORTH

Discover Norman!

In 1870, the United States Land Office contracted with a professional engineer to survey much of Oklahoma territory. Abner E. Norman, a young surveyor, became chairman of the central survey area in Indian Territory. The surveyor's crew burned the words "Norman's Camp" into an elm tree near a watering hole to taunt their younger supervisor. When the "Sooners" (those who headed west before the official Land Run date, April 22, 1889) and the other settlers arrived in the heart of Oklahoma, they kept the name "Norman." Today, with 130,000 residents, Norman is the third largest city in the state.

Despite its continuous growth, it has maintained the spirit and serenity of a small, close-knit community.

Since the Oklahoma Land Rush of 1889, Norman has grown into a popular and well-educated city. The spirit of Norman and its citizens is unwavering and uncompromising.

As home to the state's premier educational institution, Norman boasts an excellent quality of life and is a city that thrives on and celebrates the diversity of its community.

Norman was recently acknowledged as one of the most progressive cities in Oklahoma and the Norman Public School system was recognized as the top school system in the state.

Oklahoma City — The Modern Frontier

Oklahoma City, the state's capital, is located just 18 miles north of the OU campus. Named one of the 50 Best Places to Travel in 2020 by Travel + Leisure, OKC offers all of the culture, cuisine, attractions and amenities you'd expect in a modern metropolis.

The city features 14 unique districts and offers a variety of attractions and activities different from any other place in the country. Sprawling across 625 square miles of America's heartland, making it the nation's third-largest city by land area, the city's metro population numbers 1.4 million — a third of the entire state's population.

Residents of Oklahoma City voted yes to a one-cent Metropolitan Area Projects (MAPS) sales-tax initiative, bringing more than \$5 billion in both private and public investment to the city since 1993.

Oklahoma City has become a haven for exciting sports action. The Thunder played in the NBA Finals in just its fourth season in OKC and has produced two league MVPs. The city is also home to three minor league teams and hosts the NCAA Women's College World Series.

COACHES & STAFF

MATT MOTT

MATT MOTT

HEAD COACH • THIRD SEASON • UNIVERSITY OF CENTRAL FLORIDA, 2000

Matt Mott enters his third season as the head soccer coach at the University of Oklahoma in 2025.

Mott has recruited and coached six All-Americans, 20 all-region selections, 25 all-conference recipients, one SEC Freshman of the Year, six all-freshman team members and 26 conference players-of-the-week throughout his 15-year head coaching career. Six of Mott's athletes have gone on to be selected in the National Women's Soccer League amateur draft.

His clubs have made one NCAA Sweet Sixteen, six NCAA Tournament appearances and 10 conference tournament appearances. At the NCAA Tournament, Mott has advanced past the first round in four of his six trips, owning a 3-5-4 career postseason mark with a 3-1 record in PKs.

Mott's work with goalkeepers has produced three SEC Goalkeeper of the Year honors, each of which were earned by future NWSL fourth-round pick and Ole Miss career clean sheet leader Ashley Orkus. His back lines and keepers have generated 94 clean sheets and a 75.2% save percentage, posting at least eight shutouts in five of his 15 seasons while posting a save percentage of 76% or better eight times.

Academic success has long been a pillar of Mott's programs. Across his 15 years as a head coach, Mott has guided his student-athletes to earn five COSIDA/CSC Academic All-America honors, 26 academic all-district selections and a whopping 281 academic all-conference and honor roll recipients. Eight of his 13 seasons at Ole Miss saw at least 20 athletes earn SEC Academic Honor Roll status including five consecutive seasons from 2017 to 2021. In his first season at Oklahoma, a program-record six Sooners earned CSC Academic All-District accolades while 13 earned Academic All-Big 12 notice, second-most in program history.

The Sooners reached double-digit wins in 2024 during Mott's second season leading the Sooners, the first double-digit victory season since the 2016 campaign. Mott reached 150 career victories with a 4-1 win against Oral Roberts Aug. 25, while another milestone came Sept. 22 when he coached the Sooners to a 2-1 win at Texas A&M for the program's first-ever SEC victory. Oklahoma finished the season on a high note, winning the last two league games with a 4-1 win against Ole Miss and a 1-0 victory against Florida in Gainesville.

The Oklahoma attack was record setting in 2024, with the Sooners scoring a program single season-record 38 times. The Oklahoma fans showed out for the high-scoring Sooners, with over 12,000 fans making their way to John Crain Field en route to an OU all-time season attendance record. The honors and records continued at the individual level as Leonie Weber and Cailey England both set individual career records. Weber finished her OU career with a record 19 assists and five penalty kick goals, while England set program records with 92 starts and 7,786 minutes played. Ella Pappas was tabbed at the TopDrawerSoccer Women's Team of the Week after contributing four goals in OU's 15-goal weekend. Six Sooners earned CSC Academic All-District honors in the postseason, while Alexis Washington earned a spot on the United Soccer Coaches All-Southeast Region Team.

Oklahoma produced an 8-10-2 mark in Mott's first season at the helm, earning 11 points in conference play (3-5-2) to finish tied for ninth in the Big 12 table. OU took significant steps forward possessing and creating in the attacking third, scoring the seventh-most goals per match (1.70) in the Big 12 on the league's third-most shots on target per match (7.00). The Sooners improved their shot-on-target percentage by nearly 2%, placing 47.5% of their shots on frame. Oklahoma's creativity under Mott shined as OU generated its most assists (30) since the 2005 season.

Defensively, Oklahoma's back line limited opponents to a program-record 10.35 shots against per match on its way to recording five clean sheets. OU's five shutouts marked the

program's most since 2016. The Sooners also dramatically reduced their cards received, taking just 14 yellows and zero reds after receiving 38 and two respectively the season prior.

The 2023 Sooners advanced past the Big 12 tournament's opening round for just the sixth time in program history, defeating Oklahoma State in the first round. OU earned a 2-0 result over Texas during the regular season, its first win over the Longhorns in regulation since 2005. Graduate forward Emma Hawkins was named Big 12 Offensive Player of the Week on Aug. 23, becoming the first Sooner to earn a weekly honor since 2021, and became the only OU athlete to record two career hat tricks with three-goal efforts vs. Tulsa and Murray State.

University of Oklahoma Vice President and Director of Athletics Joe Castiglione announced in April 2023 Matt Mott as OU's head soccer coach. Mott's appointment at OU followed a highly successful run the last 13 seasons as head coach at Ole Miss.

Mott coached the Rebels to a 139-97-32 (.578) record and to six of the program's 10 all-time NCAA Tournament appearances, including four of the last six years. He led Ole Miss to a winning record and to the SEC Tournament in 10 of the last 11 seasons, going 124-78-27 (.600) during the stretch.

Four of the Rebels' six NCAA Tournament appearances under Mott resulted in at least one win, with the 2015 and 2020 squads advancing to the Sweet 16. Eleven of his 13 teams featured at least two players who each scored at least six goals in a season.

Mott coached his Ole Miss players to six All-America honors, 20 all-region awards, 25 All-SEC laurels, six SEC All-Freshman picks and five Academic All-America selections, and had five players drafted into the NWSL professional ranks. He has produced some of Ole Miss's best all-time talent, including the top three scorers in program history in CeCe Kizer (48 goals from 2015-18), Channing Foster (44 goals from 2017-21) and Rafaelle Souza (44 goals from 2011-13), as well as the school's all-time shutouts leader, goalkeeper Ashley Orkus (29 shutouts from 2019-22).

Mott led the Rebels to winning records each of the last six seasons and to double-digit victories in six of the last seven campaigns. His 2022 squad began the season with a 9-0-2 record, good for the best 11-game start in program history.

Before becoming just the second Ole Miss head coach in program history, Mott was the top assistant at the University of Texas from 2006-10, helping the Longhorns to three NCAA Tournament appearances, including back-to-back Sweet 16s in 2006 and 2007. UT's 2007 squad reached a No. 1 national ranking. Working with the goalkeepers and defenders, Mott helped guide Texas to a school record for lowest goals-against average (0.64) in 2008 and to several other defensive records during his tenure.

Prior to his Texas stint, Mott served as an assistant at Auburn from 1999-2005. He was promoted from assistant coach to assistant head coach to associate head coach during his time at the school and helped the Tigers to four consecutive SEC West titles and four straight NCAA Tournaments from 2001-04. He was named the AFLAC National Assistant Coach of the Year in 2002 when Auburn claimed the SEC overall championship. As Auburn's recruiting coordinator, Mott helped the Tigers ink six nationally ranked signing classes and helped develop several players to All-SEC and All-America stature.

Mott also served as an assistant coach at UCF, his alma mater, for four years (1995-98). While Mott was in Orlando, the Golden Knights won three Trans Atlantic Athletic Conference championships and earned an NCAA Tournament berth in 1998.

Before UCF, Mott was the head women's coach at NCAA Division III Hilbert College in Hamburg, N.Y., where he became the program's all-time wins leader during his tenure from 1991-94. He was also the goalkeepers coach for the men's team at Hilbert during that time.

A Norwood, N.Y., native, Mott obtained a bachelor's degree in general studies (minored in criminal justice) from UCF in 2000 and also earned an Associate of Science degree in 1994 from Erie Community College in Buffalo, N.Y. Before college, Mott spent four years in the U.S. Coast Guard where he played and coached with the Coast Guard's select team in Portsmouth, Va.

Mott holds a National "B" Coaching License from the United States Soccer Federation. In addition to his college coaching positions, he has served as the goalkeepers coach for the USYSA Region III Olympic Development Program team since 2003. Mott is married to the former Jennifer Swartz. They have two sons, Dean and Will, and a daughter, Tacie.

RICHARD BEEBE

ASSISTANT COACH • THIRD SEASON • WILLIAM CAREY UNIVERSITY, 2010

Oklahoma head soccer coach Matt Mott announced the addition of assistant coach Richard Beebe in May 2023 to join Mott in his inaugural season at OU.

The 2024 season saw the Sooners set a new standard in the scoring third as OU set a program single season record with 38 goals on the season. Leonie Weber and Ella Pappas paced the way with six goals apiece, while Weber finished her OU career as the all-time record holder with 18 assists. A total of 11 different Sooners tallied at least one goal, while five registered double-digit point outpouts for the year.

Oklahoma took significant steps forward possessing and creating in the attacking third during Beebe's first season working with the attack, scoring the seventh-most goals per match (1.70) in the Big 12 on the league's third-most shots on target per match (7.00). The Sooners improved their shot-on-target percentage by nearly 2%, placing 47.5% of their shots on frame. Oklahoma's creativity shined as OU generated its most assists (30) since the 2005 season.

Graduate forward Emma Hawkins flourished under Beebe's direction in 2023. She was named Big 12 Offensive Player of the Week on Aug. 23, becoming the first Sooner to earn a weekly honor since 2021, and became the only OU athlete to record two career hat tricks with three-goal efforts vs. Tulsa and Murray State. Her nine goals ranked fifth in a single season by a Sooner while her 41 shots on target landed her third in program history.

Beebe spent the 2014-15 seasons as Ole Miss' volunteer assistant coach and rejoined the program in the same capacity ahead of the 2017 campaign. Wearing many hats, over the last six seasons he helped the Rebels to a 64-41-16 record, four NCAA Tournaments and six SEC Tournaments. Of Ole Miss' 10 all-time NCAA Tournament appearances, five have come during Beebe's seven seasons on the Ole Miss staff, including the only two NCAA Sweet 16 appearances in program history.

Working with the Rebels' "Strike Force," Beebe helped develop two of the program's greatest offensive players in CeCe Kizer and Channing Foster. Kizer finished her career as Ole Miss' all-time leading scorer and a two-time United Soccer Coaches All-American. Foster tied for second on Ole Miss' career scoring list, becoming the SEC's first-ever five-time all-conference honoree in 2021.

During Beebe's original term at Ole Miss, he helped the Rebels achieve a pair of successful seasons. After assisting Ole Miss to a second-place finish in the SEC West during his first season in 2014, the Rebels reached even greater heights the next year when they notched a 14-5-4 record and advanced to the Sweet 16 for the first time in program history.

Beebe joined the Rebels after serving as an assistant coach at his alma mater, William Carey University in Hattiesburg, Miss., where he was also a standout player himself. As an assistant at William Carey in 2013, Beebe helped lead the women's team to the Southern States Athletic Conference (SSAC) championship in 2013 with a perfect 11-0 record in conference play and outscoring foes 53-6 on the season. It was the program's first SSAC title. He helped the team post an 18-5 record and advance to the Sweet 16 of the NAIA Tournament. They earned a No. 10 final ranking in the national polls and five athletes earned all-america status.

Beebe started all four years at William Carey, serving as team captain in 2009 and being named a first-team All-Gulf Coast Athletic Conference selection that season. He helped lead his team to the GCAC Championship in 2008 and 2009, while also helping the squad claim the GCAC Tournament Championship in 2007.

Beebe earned a bachelor's degree in education with a minor in biology from William Carey in 2010. He earned a master's degree in secondary education from the school in 2012.

JESSICA HISKEY

JESSICA HISKEY

ASSISTANT COACH • THIRD SEASON • UNIVERSITY OF MISSISSIPPI, 2016

Oklahoma head soccer coach Matt Mott announced the addition of Jessica Hiskey as assistant coach May 2023, with Hiskey entering her third season on staff ahead of the 2025 campaign.

The Sooners' backline aided in four shutouts, including a 1-0 victory at Florida in the season finale, good for one shy of the program's highest mark in nearly a decade. Oklahoma held opponents to two or fewer goals in 17 of 18 games as the Sooners broke double-digit wins for the first time since 2016.

OU's back line limited opponents to a program-record 10.35 shots against per match on its way to recording five clean sheets in Hiskey's first season directing the unit. Oklahoma's five shutouts marked the program's most since 2016. The Sooners also dramatically reduced their cards received, taking just 14 yellows and zero reds after receiving 38 and two respectively the season prior.

Hiskey, who was an All-SEC defender for the Rebels under Mott, served the last five years as an Ole Miss assistant coach, the last two as assistant head coach. Presiding over the Rebels' defense, Hiskey helped the program register 31 shutouts over her five seasons. Ole Miss' back line also contributed on the attack, tallying 12 goals and 33 assists during the same time frame.

The Rebels surrendered only 19 goals in 20 contests in 2022 and posted 10 shutouts. They didn't allow a goal until the sixth match of the year.

From 2012-15, Hiskey starred in Oxford as a defender and midfielder under Mott, starting 74 matches and logging over 7,000 minutes as Ole Miss posted a 51-26 record and a 3-2 NCAA Tournament mark. She registered 10 goals and five assists.

The Franklin, Tenn., product turned in her most productive offensive season as a junior in 2014, amassing six goals and a pair of assists. She played 1,809 of the team's 1,840 minutes that year. As a senior, she started all 23 games and was a second-team All-SEC selection as the Rebels advanced to the NCAA Tournament's Sweet 16 for the first time in school history.

During her senior campaign, Hiskey helped lead Ole Miss to its first-ever NCAA Sweet-16, starting all 23 contests on the year. She became the first Rebel defender to be named All-SEC since 2011, collecting Second Team honors after registering five points on two goals and one assist.

After her collegiate career, Hiskey became just the fourth known Rebel to sign a professional contract, playing for Skövde KIK in Sweden. During her two-year stay, she helped Skövde KIK achieve its highest league finish in club history (third place), as well as its lowest single-season goals-against average.

Hiskey earned CoSIDA Academic All-America and CoSIDA Academic All-District honors her senior year, and attained a bachelor's degree in chemistry from Ole Miss in 2016.

WARREN RUSS

ASSISTANT COACH • THIRD SEASON • UNIVERSITY OF CENTRAL FLORIDA, 1990

Oklahoma head soccer coach Matt Mott announced July 2023 the addition of Warren Russ as assistant coach. Russ enters his third season on the OU staff heading into the 2025 campaign.

The Sooners went 10-7-1 in 2024, breaking the double-digit win total for the first time since the 2016 campaign. OU turned in four shutouts including a 1-0 victory at Florida in the regular season finale. Goalkeeper Caroline Duffy ranked fifth in the SEC with 67 saves, twice surpassing double-digit saves in league play.

Oklahoma produced an 8-10-2 mark in Russ' first season on staff, earning 11 points in conference play (3-5-2) to finish tied for ninth in the Big 12 table. OU's five shutouts marked the program's most since 2016. A program-record six Sooners earned CSC Academic All-District accolades while 13 earned Academic All-Big 12 notice, second-most in program history.

A veteran in the collegiate soccer coaching ranks, Russ has coached across all divisions of collegiate soccer since 1990. Most recently, Russ spent the past year as head coach of the men's soccer team at Division III Millsaps (Miss.) College.

Russ has made numerous coaching stops throughout his 30-plus years at the college level, leading the Georgia Southwestern State men's team from 2008-2019 prior to his time at Millsaps College. Other stops along the way include the University of Georgia women's team (1995-2000), UCF men (1990-93) and Gwinnett Soccer Association (2001-02).

A four-year letterwinner at the University of Central Florida where he graduated in 1990, Russ continued his career professionally across the English Football League, American Professional Soccer League and United Soccer League from 1990-99 while also starting his coaching career. Additionally, Russ has experience at the national team level, serving as an assistant with Team USA for a gold medal performance at the 2013 World Maccabiah Games and leading the team as head coach at the 2015 Pan-American Maccabiah Games.

A native of Coral Springs, Fla., Russ received his Bachelor of Business Administration and Marketing from UCF in 1990. He owns both a National "C" Level and NSCAA Advanced National Coaching License.

Russ' hiring at Oklahoma was made possible by an NCAA Division I Council decision in January to increase the number of countable coaches in select sports starting July 1. Russ completed Mott's staff in his first season as head coach, joining Richard Beebe and Jessica Hiskey as assistant coaches.

DIRECTOR OF ATHLETICS

JOE CASTIGLIONE

VICE PRESIDENT FOR INTERCOLLEGIATE ATHLETICS PROGRAMS & DIRECTOR OF ATHLETICS

Few collegiate athletics administrators have experienced the long-term success that Joe Castiglione has enjoyed at the University of Oklahoma.

In his 27th year at the helm of the legendary program, he leads an OU Athletics Department that hardly resembles the one that welcomed him in July of 1998. From conference realignment — now in the Southeastern Conference after 28 years in the Big 12 — to fundraising records and significant growth in capital projects, Castiglione has shaped and stewarded the department's widespread and longstanding success. In fact, the Sooners have won 25 of their 44 team national championships

since he arrived in Norman. He has celebrated 113 conference titles in that same period.

By creating a positive culture based on core values, a dynamic vision and a collaborative spirit, Castiglione has made OU Athletics a "destination of choice" and a world-class experience for student-athlete development.

Of course, Oklahoma is not immune to any of the challenges intercollegiate athletics has faced in the past quarter century, and through it all, Castiglione has stood unwavering in his commitment to position OU Athletics as one of the nation's premier programs. For many, it was his response to the COVID-19 pandemic that demonstrated the leader he really is.

As the pandemic arrived, then continued to worsen, Castiglione led the department through the sudden ending of the academics and athletics year with a calm and determined approach. His leadership gave OU's student-athletes, coaches and staff ample reasons to be confident the Sooners would get through the challenges that awaited. Their confidence was warranted.

After an incredibly successful 2022-23 athletics campaign, the 2023-24 academic year yielded OU's eighth softball national championship, including an unprecedented fourth straight and sixth in the last eight seasons. Women's gymnastics, which was ranked No. 1 the entire regular season and set the NCAA single-meet scoring record, won its 11th conference title in the last 12 years, while women's basketball secured its eighth regular season league crown (second consecutive) and baseball won its first-ever regular season Big 12 championship.

The Learfield Director's Cup recognizes overall program excellence. The Sooners have ranked among the top 25 in 21 of Castiglione's 26 years and finished 10th in 2021-22, their best showing since 2012-13. (With the interruption of competition schedules, the Learfield Director's Cup was not awarded for 2019-20.)

Individually, OU student-athletes during Castiglione's tenure have flourished, producing countless all-conference, All-America and national-player-of-the-year honors, including Heisman Trophy winners Jason White, Sam Bradford, Baker Mayfield and Kyler Murray, Naismith and Wooden Award winners Blake Griffin and Buddy Hield, and USA Softball Collegiate Players of the Year Keilani Ricketts and Jocelyn Alo (twice each). Alo is the NCAA's all-time record holder in home runs. Sooners were named Big 12 Athlete of the Year 15 times in the 28-year history of the league, including 11 times over the past 12 years.

GPA numbers and graduation rates continue to set program records under Castiglione's watch. OU's standard-setting 3.27 cumulative 2024 spring semester GPA marked the 25th consecutive term that OU's student-athletes as a group recorded a 3.0 or better figure. And the latest graduation success rate report (2023-24) reflects an OU-record-tying 89% figure.

OU Athletics, one of the few remaining self-sustaining departments nationally, has been a model of fiscal responsibility, closing the books in the black in each of Castiglione's first 22 years, including the pandemic-shortened 2019-20 season, and again in 2021-22, 2022-23 and 2023-24. His responsible approach has benefited the general campus. Through direct and indirect support, the athletics department provides millions of dollars annually to OU's academic budget. It also established an endowment at Bizzell Library and partnered with the president's office to eliminate the admission fee at OU's internationally known Fred Jones Jr. Museum of Art.

Athletics facilities improvement and construction have been carried out at a record pace and Castiglione takes pride in the fact that the majority of those improvements have been funded with private donations. He was instrumental in the athletics department's major campaign at the turn of the century, Great Expectations: The Campaign for Sooner Sports, that impacted each of OU's athletics programs and became a national model. During the 2021-22 fiscal year, OU Athletics received a record-breaking \$109 million in donations and pledges (the previous single-year record was \$58 million), and followed in 2022-23 with its second-highest figure in school history (\$79 million). At time of publication, the 2023-24 fiscal year was expected to yield another record-breaking fundraising year.

A \$160 million Gaylord Family — Oklahoma Memorial Stadium renovation was completed prior to the 2017 season and included enclosure of the south end zone, new seating options for Sooner fans and new team facilities. The Griffin Family Per-

formance Center for men's and women's basketball at Lloyd Noble Center opened in 2018. Refurbished men's and women's basketball team areas and construction on a new softball stadium — Love's Field — were completed in spring 2024. Other projects underway include new team facilities for golf, gymnastics and tennis, with major renovations planned for baseball. The \$75 million Headington Hall provides housing for the general student population as well as student-athletes and is recognized as making OU the leader in providing an engaging community living option for students. The state-of-the-art building opened in August 2013 and has won the President's Trophy as the outstanding housing unit on campus five times.

In 2021, Castiglione recommended to the OU President and Board of Regents that the university seek membership in the Southeastern Conference for an eventual 2025 move. Castiglione, who played a large role in the formation of the Big 12, ensured OU fulfilled its obligations to the league, which the Sooners joined in 1996. After negotiating an agreeable earlier exit from the Big 12, OU entered the SEC officially on July 1, 2024, after 28 years in the Big 12. The decision arguably set in motion a series of conference realignments that followed throughout the then-Power Five conferences. Membership in the SEC for OU, according to Castiglione, was always about seizing future stability for the university at a time of great disruption within intercollegiate athletics.

Castiglione was named Co-National Athletic Director of the Year in May 2018 by Sports Business Journal. He had won the award in 2009 and been a finalist in 2016. A survey conducted by Sports Illustrated in the summer of 2017 named him the best athletics director in the country, and Stadium selected him in 2020 as the nation's top AD. Other awards and honors include the 2023 LEAD1 Association Pearl Award of Excellence, 2018 Katha Quinn Award (U.S. Basketball Writers of America); 2018 induction into the Oklahoma Sports Hall of Fame; the 2013 John L. Toner Award (National Football Foundation and College Hall of Fame); Carl Maddox Sports Management Award (United States Sports Academy); 2000 and 2018 Athletics Director of the Year (NACDA); 2004 Athletics Director of the Year (Bobby Dodd Foundation); 2003 induction into the National Association of Collegiate Marketing Administrators Hall of Fame; and the 2001 General Robert R. Neyland Athletic Director Award for lifetime achievement (All-American Football Foundation).

He earned a master's of education degree in May 2007 and became an adjunct professor in OU's Jeannine Rainbolt College of Education, teaching graduate classes in marketing, development and leadership in higher education. He serves on the college's board of advocates and received the "Award of Distinction" given by the college in 2019. He was recognized for his distinguished service by OU's College of Arts and Sciences and was named a Price College Distinguished Partner in 2018.

Hired on April 30, 1998, Castiglione previously served as athletics director at Missouri for five years. His career began as the sports promotions director at Rice. Other stops included director of athletic fundraising at Georgetown, then director of communications and marketing at Missouri. He marks his 32nd year of serving student-athletes as an athletics director with the 2024-25 academic year.

A 1979 Maryland graduate, Castiglione received the university's Distinguished Alumnus Award in April 2007 and was inducted into the State of Missouri's Sports Hall of Fame in November 2015.

He completed a term on the College Football Playoff Committee in January 2021, making him the only person in history to serve on that committee as well as the NCAA Division I Men's Basketball and Baseball committees. He has served on multiple NCAA committees and commissions, including the NCAA's Board of Governor's Commission to Combat Sexual Violence on Campus, NCAA Championship/Competition Cabinet, the NCAA Division I Women's Basketball Discussion Group and the United States Olympic Committee Athlete Career and Education Strategic Working Group. He formerly served on the Gatorade Collegiate Advisory Board and continues to serve on the National Football Foundation and College Football Hall of Fame Board of Directors.

Castiglione is a past president of both the Division I-A Athletic Directors Association and NACDA. He also served three terms as the chair of the Big 12 Board of Athletics Directors. A former member of the Phi Delta Theta Foundation Board of Trustees, he is a highly requested speaker at annual conventions and continuing education institutes. In November 2011, his hometown recognized him by selecting him for the Broward County (Fla.) Sports Hall of Fame.

Locally, he has served the United Way of Norman, among other organizations. His third term as OU's campus co-chair resulted in the highest recorded contributions ever by faculty, staff and students to the United Way of Norman's annual campaign. He encourages student-athletes and athletics staff to engage in those efforts as well, with OU Athletics representatives having been known to participate in more than 5,000 hours of community service per year.

A native of Fort Lauderdale, Fla., Castiglione is married to the former Kristen Bartel, a 1990 graduate of the University of Missouri. They are the parents of two sons, Joseph Jr., who earned a Bachelor of Business Administration degree and a master's degree from Oklahoma in 2019 and 2021, respectively, and Jonathan, who graduated from OU in 2023 with a bachelor's degree in journalism (creative media production).

UNIVERSITY PRESIDENT

JOSEPH HARROZ, JR.

15TH PRESIDENT, UNIVERSITY OF OKLAHOMA

Serving the University of Oklahoma for over 28 years in various leadership roles, Joseph Harroz Jr. was named the 15th president of OU on May 9, 2020. Harroz's previous service to the university includes a one-year term as interim president, nine years as dean of the College of Law, 12 years as general counsel, and two years as vice president for executive affairs.

Under Harroz's leadership, over the last four years the university has ambitiously pursued

the fulfillment of its "Lead On, University" Strategic Plan, sparking a new era of excellence and elevating OU's position as a top-tier public research university with life-changing impact.

The last three years have seen record-breaking freshman classes at OU, with the fall 2024 incoming class on track to become OU's largest yet. Last fall's incoming class of nearly 5,200 students represented an 11% increase over the previous year, and the class broke other university records, with the largest percentage of first-generation students and more underserved students than any other year. OU's research momentum continues to accelerate, reaching a record \$386 million in externally funded research awarded across the university. The OU research enterprise has achieved an average 16% annual growth rate over the last four years and ranks among the top 8% of research universities nationally. The historic merger in 2021 to create OU Health has brought immense benefits to the state and its people. As Oklahoma's first comprehensive academic health system, OU

Health is delivering world-class health care, training tomorrow's health professionals, and meeting the toughest medical challenges with pioneering research and innovation.

An abundance of other successes have come to life since the Strategic Plan's introduction — the announcement of a historic \$2 billion fundraising campaign, a continued focus on balancing excellence with affordability, the addition of premier freshman housing, entering the SEC, and more.

A native Oklahoman, Harroz graduated Phi Beta Kappa from OU in 1989 with a Bachelor of Arts degree in economics and a minor in zoology. He earned his J.D. in 1992 from Georgetown University Law Center.

SOONER TRADITIONS

WHAT IS A SOONER?

Sports fans are hard-pressed to find a nickname that is as unique and as linked to a state's history as a Sooner. The University of Oklahoma is the only school known as Sooners.

Oklahoma Territory opened with the Land Run of 1889. Settlers from across the globe, seeking free land, made their way to the prairies of the plains to stake their claim to a new life. One of the few rules to claiming a lot of land was that all participants were to start at the same time, on the boom of a cannon. Settlers who went too early were called "Sooners."

OU athletic teams were called either Rough Riders or Boomers for 10 years before the current Sooner nickname emerged in 1908. The university actually derived its name from a pep club called 'The Sooner Rooters.' The success of University of Oklahoma athletic teams over the years has made the nickname synonymous with winning.

CRIMSON AND CREAM

In the fall of 1895, Miss May Overstreet was asked to chair a committee to select the colors of the university. The committee decided the colors should be crimson and cream and an elaborate display of the colors was draped above a platform before the student body. The students approved with great enthusiasm and immediately pennants, banners and decorations of every description appeared on the streets, in the windows, at chapel, in classrooms and all public places around campus.

SOONER SCHOONER

The Sooner Schooner is a Conestoga, or covered wagon, reminiscent of the mode of travel used by pioneers who settled Oklahoma. The Schooner is powered by matching white ponies named Boomer and Sooner, and it ventures onto Owen Field in a triumphant victory ride after OU scores. Although the Schooner was introduced in 1964, it did not become the official mascot until 1980. The Schooner is well-recognized by college athletics fans across the country and makes regular appearances at university functions.

BOOMER SOONER!

In 1905, Arthur M. Alden, a student in history and physiology whose father was a Norman jeweler, wrote the lyrics to the fight song, borrowing the tune from Yale University's 'Boola Boola' but improvising the words. A year later, an addition was made to it from North Carolina's 'I'm a Tarheel Born' and the two combined to form the university's fight song today. Though the tune was first made known by Yale, the everlasting success of Sooner squads has taken the melody of 'Boomer Sooner' to national popularity.

OKLAHOMA!

The Pride of Oklahoma plays perhaps the most popular and recognizable state song in history. Oklahoma! is the final rousing chorus of Rodgers and Hammerstein's epic musical. Breaking all Broadway box office records when it opened in 1943, Oklahoma! was the first collaboration between the legendary pair who were awarded a Pulitzer Prize for their seminal work.

THE OU CHANT

Every fan who wears the official colors, each current student and student-athlete and all OU alumni are encouraged to stand and raise one finger in the air during the playing of the Chant – a symbolic gesture that shows the greatness of the university and the unity between all Sooners. The Chant was written in 1936 by Jessie Lone Clarkson Gilkey, who directed the OU girl's glee club from 1936 to 1938 and was voted Outstanding Faculty Woman in 1937.

O-K-L-A-H-O-M-A
Our chant rolls on and on!
Thousands strong
Join heart and song
In alma mater's praise
Of campus beautiful by day and night
Of colors proudly gleaming Red and White
'Neath a western sky
OU's chant will never die.
Live on University!
